Thanks Bob. Let me know if you want this longer version or the short one I just sent. I'll incorporate the changes there.

Subject: background paper

Here's my cut. I added significant meetings and key points discussed. I don't have a date for when Keith sent the 3 month schedule, do you?

I lightly edited the "considerations" from Bob and Mark. We may want to cut that down more. Let me know what you think.

Thanks,

John
